Customer No. 33549

TERMINAL DISCLAIMER UNDER 37 C.F.R. § 1.321(b)

Assignee, Yates Petroleum Corporation, is the owner of 100 percent interest in the instant application. Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154-156 and § 173, as presently shortened by any terminal disclaimer of US Patent Application 11/412,674, filed April 26, 2006. Assignee hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the said patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154-156 and § 173 of any patent granted in US Patent Application Number 11/412,674, as presently shortened by any terminal disclaimer, in the event that either later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is subsequently statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

For submissions on behalf of an organization (e.g. corporation, partnership, university, government agency, etc.), the undersigned (whose title is supplied below) is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by

fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Funds in the amount of \$130.00 are being paid at the time of this filing via credit card in accordance with 37 C.F.R. § 1.20(d).

Dated this 27th day of December, 2006.

Respectfully Submitted,
